

Run jersey

Half Marathon

10km and 5km Sponsorship Form

Official Charity

JSAD is a charitable organisation and was formed some 25 years ago with the purpose of providing support and encouragement to local residents with a disability who wish to take part in sport. It was, and remains, the general ethos that sport should be available to all, regardless of age or disability, and be fun!

Sponsorship Money

The Race organisers would like to collect all sponsorship money in on race day. You can either deliver your sponsorship money to the race organisers when you collect your race pack (details to follow) or on race day.

Personal Details

Please complete all of the sections below and write in **BLOCK CAPITALS**.
