

Run Jersey

Half Marathon Sponsorship Form Official Charity

JSAD is a charitable organisation and was formed some 25 years ago with the purpose of providing support and encouragement to local residents with a disability who wish to take part in sport. It was, and remains, the general ethos that sport should be available to all, regardless of age or disability, and be fun!

Sponsorship Money

The Race organisers would like to collect all sponsorship money in on race day. Please make cheques payable to JSAD
